

YOU ARE INVITED TO A BOOK SIGNING

Saturday, Dec.3 2011 • 2:00 pm

McNally Robinson Bookstore, Grant Park, Winnipeg

**Trueman Bradley, genius detective
with Asperger's Syndrome.**

Trueman leaves his hometown of Heartville, Illinois, and arrives in New York City, hoping to fulfil his dream of becoming a private detective, like his comic book heroes. He is soon told that a guy with AS could not possibly succeed as a detective. Undeterred, Trueman uses his exceptional mathematical skills to invent a crime-fighting equation, and with the help of his new friends, sets out to test his skills against the criminal world of New York. He is determined to show the police, his friends, and himself, that a guy with AS can become as good a detective as anyone else, maybe, even, one of the best.

Trueman Bradley is published by Jessica Kingsley Publishers, London, UK.
