

Asperger Manitoba Inc.

Celebrating Abilities

ASPERGER 101

Asperger 101 is an introduction into the world of children and adults who are living on the autism spectrum. We cover the basics from how this syndrome is characterized and diagnosed and also look at what it might look like in day-to-day life. Some simple strategies for working with your child or adult are also described.

February 3, 2012

9:00 am to 11:00 am

Ecole McIsaac School
336 Princess Blvd
Flin Flon, Manitoba

This session is open to all school division personnel and the interested general public.
