

MATC Neurodevelopmental Services / Autism provides multi-disciplinary consultation for school age children and youth with Autism Spectrum Disorders. This service is provided to both schools and families. This program is located at 228 Maryland street.

MATC offers a variety of workshops and seminars that provide information about Autism Spectrum Disorders for parents, caregivers, day care workers, educational assistants, teachers, resource teachers, and other professionals. Participants in this seminar will benefit most from the content of this presentation already having a basic understanding of Autism.

Please send registration form with payment to:

Tackling the Extreme

Symptoms of ASD

The goal of this seminar is to provide participants an opportunity to gain insight into dealing with some of the more extreme symptoms of ASD. Participants will explore how adults impact a child's challenging behaviours. Presenters will review strategies for building effective relationships and structuring daily routines. Discussions will also include appropriate prompting and communication strategies.

Schedule March 11

8:45-9:15am – Registration

9:15-10:30am— Session

10:30-10:45am—Break
