

MATC NDS Autism

MATC Neurodevelopmental Services / Autism provides multi-disciplinary consultation for school age children and youth with Autism Spectrum Disorders. This service is provided to both schools and families. This program is located at 228 Maryland street.

School Age Autism Seminars

MATC NDS offers educational, introductory seminars for parents, caregivers, school staff and community professionals involved with school-aged children with an Autism Spectrum Disorder. A multi-disciplinary team will present on topics including diagnosis, assessment, and intervention strategies for home and school.
